## Medical Statement (PLEASE PRINT CLEARLY) - As per Laws of Malta - S.L.409.13

You must complete this medical statement, which includes the medical history information section, prior to enjoying any recreational scuba diving services. Its purpose is to inform you whether you should be examined by a physician before participating in recreational diving training. If any of these conditions apply to you, this does <u>not</u> necessarily disqualify you. It only means that, for your own <u>safety</u>, you must seek the advice of a physician prior to participating in recreational scuba diving. Please acknowledge that you have read and understood the information provided below by initialling each individual point. With your signature at the end, you confirm that the answers to the questions above are true and complete.
